

**MEETING ANNOUNCEMENT
WARREN COUNTY
PARKS, RECREATION AND OPEN
SPACE MASTER PLAN
PUBLIC WORKSHOP**

Warren County is in the process of preparing a comprehensive master plan to improve the parks, recreation and open space system throughout the County. A public workshop will be held at 7:00 PM on Tuesday, April 8, 2008 at the Warren County Administration Building for you to provide input regarding how you would like to improve your parks, recreation and leisure opportunities. The format of the workshops will be very simple and will follow these five basic questions:

1. What parks and recreation facilities and programs do you currently use?
2. What do you like about any of the Warren County Parks?
3. What don't you like or what is missing from your parks and recreation system? How can the system be improved?
4. Imagine it is the year 2015. You are very pleased with the improvements that have been made to your park and recreation systems since the master plan was completed. What has happened to make the parks more successful and enjoyable? How have the recreation and leisure opportunities changed?
5. How do you feel the County and other political jurisdictions should generate the funds necessary to improve the parks and recreation system?

Your answers to these questions will provide the framework and the priorities for the proposed improvements to the parks and recreation system. The County would like the Master Plan to reflect the desires and needs of the citizens of the County. Therefore, your responses to these questions are very important. If you cannot make it to the workshop, please provide your answers in writing or call the Regional Planning Commission at (513) 695-1223 extension 1174, or email to Kimberly.Lapensee@co.warren.oh.us. Please mail your responses to the Warren County Regional Planning Commission, c/o Kimberly Lapensee, Deputy Director, 406 Justice Drive, Lebanon, Ohio 45036.
